

Administrative Services empowers Team MSU to advance knowledge and transform lives.

Mission

To promote high performance behaviors, increase institutional effectiveness and support academic advancement through cross-campus initiatives and investing in people, processes, and the environment.

Vision

Administrative Services is committed to being the recognized leader for outstanding service delivery, innovation, and continuous improvement.

Values

(in addition to the University values: quality, inclusiveness, connectivity)

Practice

We deliver effective and efficient **service**. We anticipate change and have a **bias for taking innovative action** and creating a **collaborative** environment.

People

We **empower employees** to advance our mission and foster **personal growth** through continuous learning and development.

Stewardship

We are **accountable** for the decisions, outcomes and financial results that ensure a **sustainable future**. We utilize technology and analytics to drive action and continually evaluate performance.
